

Switzerland Trip

We will be leaving from Dulles International on July 2nd and returning on July 12th. The cost is around \$2700 which includes airfare, hotel (breakfast and dinner provided), round trip coach from Zurich to Interlaken, day trips (which are around \$50 per trip/per person although you do not have to go on these trips), \$20 a day for lunch, and \$100 deposit required for airline reservation. I think that covers the expenses.

The program runs from Saturday evening to Thursday morning. The times are 8:30-12:30 in the morning and 6:30-8:30 in the evening. Day trips are available in the afternoons, however on Sunday afternoon our team will be providing activities for the family BBQ so a day trip will not be offered.

Volunteers usually bring two suitcases. One is filled with personal belongings and the second is filled with materials needed for the trip. The curriculum is provided for them but any decorations, give aways, items for crafts is the responsibility of the volunteer. There are craft items available in Interlaken but you would want to check to see if what you need is already there.

A training day is scheduled sometime in May but a specific date has not been set. I will let everyone know as soon as I know.

If you are interested please let me know what area you would like to work and give me a brief history of your experience with working with children. Filled positions are: Music/Worship, Recreation, 4th grade (?)
